Recovery Letter Outcomes

Provider Training

32 provider outreach trainings have been completed statewide.

Engineered provider training content serves two purposes:

1. Educate providers on OIG processes
2. Guidance on how to avoid waste and abuse

Results

- Increase in hotline tips and internet referrals of suspected waste, abuse, fraud
- The first Webinar was held on January 24th and additional Webinars are scheduled monthly through 2013

Clarifications

Policy

- The OIG does not write policy
- Recommendations to policy
 - to reduce conflicts
 - to increase clarity
 - to increase efficiency
